<b>grass</b>					

Each day, **Say and Cover and Write and Check** (SaCaWaC) these words. Complete the whole chart by next week. Make sure you practise all ten words every time!

#### **Challenge** □

In your homework books, please write a sentence for each of these words.

This term the SaCaWaC words will be tested each week on a Tuesday. The children will be given sentences to write with each SaCaWaC word in.

We are looking to develop our reading area. We would love to have some comics for the children to use so that they can access a wide range of different texts. If you have any at home that you do not need any longer, please could we have them.

Thank you
