Newsletter No. 25 – Friday 28th March 2025

Dear Families

Spring is in the air and time is racing by with one week left of this term and what a busy term it has been.

Mrs Griffiths (Maths Lead) and I have been observing the teaching and learning of Maths and evaluating the implementation of our Maths Scheme – NCETM (National College of Excellence in the Teaching of Mathematics). We are currently in the second year of a four year programme to implement, embed and sustain a consistent, evidence based approach for the teaching of Maths. Children were engaged in their learning and we saw evidence of collaborative thinking and use of concrete resources to help children 'see' the maths so they can 'do' the maths.

Reception had an impromptu visit from the Fire Brigade this week, giving them the opportunity to see a fire engine and speak to fire fighters.

In Collective Worship next week, we will be exploring the events of Holy Week and we will be having our Easter Bonnet Parade on Tuesday morning.

We have lots happening next week so please keep up to date with the diary in the weekly newsletter.

Have a great weekend.

Jane Sharrock
