Dear Parents and Carers,

Wednesday, 17th December 2025

I hope you and your family are looking forward to the festive season and spending some quality time with your friends and family. Following a number of discussions with our staff and parents, we are writing to inform you of a change to our uniform procedure that will take effect after the Christmas holidays.

From the start of the new term in January, children should come to school wearing their PE kit on the days when they have PE lessons. This change is intended to make the day more comfortable for the children, allow more time for physical activity, and reduce time spent changing.

Why are we making this change?

- It will give children more time to take part in physical activity, rather than spending time changing clothes.
- It supports our commitment to promoting health and wellbeing by ensuring children can fully engage in PE lessons.
- It helps maintain a smooth and efficient school day.

Please ensure the following:

Children should still wear their **school jumper** over their PE kit to keep warm during the colder months.

- For outdoor PE during the winter months, children may wear **plain black jogging bottoms or plain black leggings** (without logos or names) to stay warm.
- For indoor PE, children should wear PE shorts and a PE t-shirt as per our school uniform policy. They may wish to wear jogging bottoms over the top when the PE lesson is not taking place.

All PE clothing must be in line with our school uniform policy. Please be mindful that we are in the Winter months as we start this change, so children need to have appropriate warm clothing especially for break times.

Please see grid for your child's PE timetable.

Thank you for your support with this new approach to school uniform. If you have any questions, please do not hesitate to contact your class teacher or the school office.

Kind regards,

Jane Sharrock
