

## Year 2 Homework - 22.01.26

### Spelling

We have now started to learn to read and spell the Year Two common exception words. I have enclosed a word search for the children to complete which practises some of these words.

### Maths

The children seem to be having great fun using Numbots to practise their number facts. Please continue to practise this every night for 5-10 minutes.

Many thanks

Mrs Lorne and Mrs Lax
