

Year 2 Homework - 29.01.26

Spelling

We would like the children to continue to practise their Year Two common exception words this week. I have enclosed a 'correct the spelling mistakes' sheet to practise some of these words.

Maths

The children still seem to be having great fun using Numbots to practise their number facts. Please continue to practise this every night for 5-10 minutes.

Many thanks

Mrs Lorne and Mrs Lax
