

Year 2 Homework - 05.02.26

Spelling

We would like the children to continue to practise their Year Two common exception words this week. I have enclosed a 'common exception word crossword' sheet to practise some of these words.

Maths

The children still seem to be having great fun using Numbots to practise their number facts. We have seen lots of children making real progress with their accuracy and fluency in class. Please continue to practise this every night for 5-10 minutes.

Marble Jar Treat- Teddies

The Year 2 children have worked very hard and have filled up their marble jar and earnt a treat. The children have voted for which treat they would like and they have chosen a teddy bear disco! Please can the children bring a teddy to school next Tuesday (10th February)?

Many thanks

Mrs Lorne and Mrs Lax
