

Year Two Homework - 24.09.26

Spelling

This week we could like the children to continue to practise the Year One common exception words.

I have attached a word search which you may wish to use. This practises some of the Year 1 common exception words. If you would prefer then please carry on with the activities suggested last week.

Maths

We would like the children to continue to practise their number facts using Numbots.

Many thanks for your ongoing support with the homework.

Mrs Lorne and Mrs Lax
