

Year Two Homework - 01.10.26

Spelling

This week we could like the children to continue to practise the Year 1 common exception words.

I have attached a sheet which practises some of the Year 1 common exception words. If you would prefer then please carry on with the activities suggested earlier this half term.

Maths

It has been fantastic to see how many children are accessing and enjoying Numbots at home. Please continue to practise this to build up your maths fluency.

Many thanks for your ongoing support with the homework.

Mrs Lorne and Mrs Lax
