

## Rowan class weekly homework

**Spelling:** You will need to choose between 5-8 spellings per week for your spellings. These words are chosen from the spelling lists given to you. Some of you will be given spellings weekly if you have finished all of these spellings.

Practise these words by writing them out in different ways using, for example try

**Rainbow writing**

Rainbow writing

**Scribble spelling**

Or, you can simply look, say, cover, write, check.

You should also write them in a sentence so you are sure you know what they mean and how to use them.

Your spellings will be tested on Friday.

**Maths:** You will need to practice your maths planets for your quiz on Friday. Each time you move on to a new planet you will be given a new pack of work to help you practice your new math skill.

You will move up to the next planet when you complete 3 weeks of accurate tests.

**Reading:** You should read to an adult at home at least five times a week and have your reading record signed each time that they hear you read. Parents, please ask your children questions about their books to develop their understanding of the text that they are reading. You can read 'home' books of your choice with an adult, or your school books. You do not need to complete the book to count towards your 5 reads. 5 - 10 minutes per read is plenty.

Reading books and reading records should be in school daily. If there are any problems, please come and see me.

Thank you

Ms Howells
